Alma Mater, Sewanee,
My glorious Mother ever be,
I will give my all to thee -
God bless thee to eternity.
Thou canst make me worth the while,
O guide and shelter me,
And all my life,

Psalm 133 *Ecce Quam Bonum!*

1 Oh, how good and pleasant it is,
When brethren live together in unity!

2 It is like fine oil upon the head
that runs down upon the beard,

3 Upon the beard of Aaron,
and runs down upon the collar of his robe.

4 It is like the dew of Hermon
that falls upon the hills of Zion.

5 For there the Lord has ordained the
  blessing:
life for evermore.

In the 1850's the founders had
envisioned
broad avenues, fountains,
Jeffersonian symmetries.
In the 1890's
the Gothic battlements their
survivors built
served their experience,
which told them there was
something to fight against,
and something to fight for.

# Sewanee Ou

People come to Sewanee to get a better education, b
college is not all about books and papers. The Sewan
Outing Program gives students a unique opportunity
explore the diverse possibilities of Sewanee's natural cla
room - the trails and caves, the lakes and rivers, the blu
of the Cumberland Plateau. From the highly popular P
orientation program, where incoming freshmen are int
duced to each other, to the campus, and to the many outd

# ng Program

ctivities available here, to the break trips, to the laily excursions - hikes, climbing, caving, and thers - the Outing Program enables any student o experience outdoor recreational activities that re unavailable at most colleges. Anyone can go to ollege and learn chemical formulas and historical lates, but not everyone can learn to roll a kayak or o repel down a rock face.

# Mountai

# Top Ball

The party looked like just another Sewanee formal, with men in tuxedoes and women in little black dresses crowding the dance floor, with plastic cups in every hand, and with music blaring from the building. However, November 18,1995 was a special night. Craven's Hall was lit from top to bottom; not one but two fabulous bands played upstairs while enough food to satisfy any appetite, wonderful ice sculptures, and flowers adorned every table downstairs; party goers were decked out in their finest black-tie wear. The first annual Mountain Top Ball, though, was special not because it was another formal event but because it was the first Sewanee formal to which the entire campus was invited. Students, faculty members, theologians, staff members, everyone came. It was a chance to see professors outside the classroom, to interact with friends and aquaintances from every social group, and to experience the Sewanee community at her best-dressed and friendliest. In a school known for parties, this particular party was, and will continue to be, unique - for the Mountain Top Ball brings everyone at the university together, no matter Greek affiliation or social circle, for a night of good music and better company.

(Letter home August 1992)

"Dear Mom and Dad,
... This place is incredible. I feel certain that I could not have chosen a better school.

It really hit me today when I went running. As I came across the hill and saw the huge cross, a strange feeling came over me. I was so proud to be there. All I kept thinking about was how Gaga would have loved the school and how wonderful the next 4 years of my life are going to be thanks to the two of you. I love you both and I miss you.

Sami"

Sami,
Most parents can only dream of a daughter like you. God blessed us with the real thing. Congratulations! WE LOVE YOU.

Is she kind as she is fair?
For beauty lives with kindness.
Love doth to her eyes repair,
To help him of his blindness.
And, being help'd, inhabits there,

She excels each mortal thing
Upon the dull earth dwelling,
To her let us garlands bring.

# This Volume of the Cap and Gown

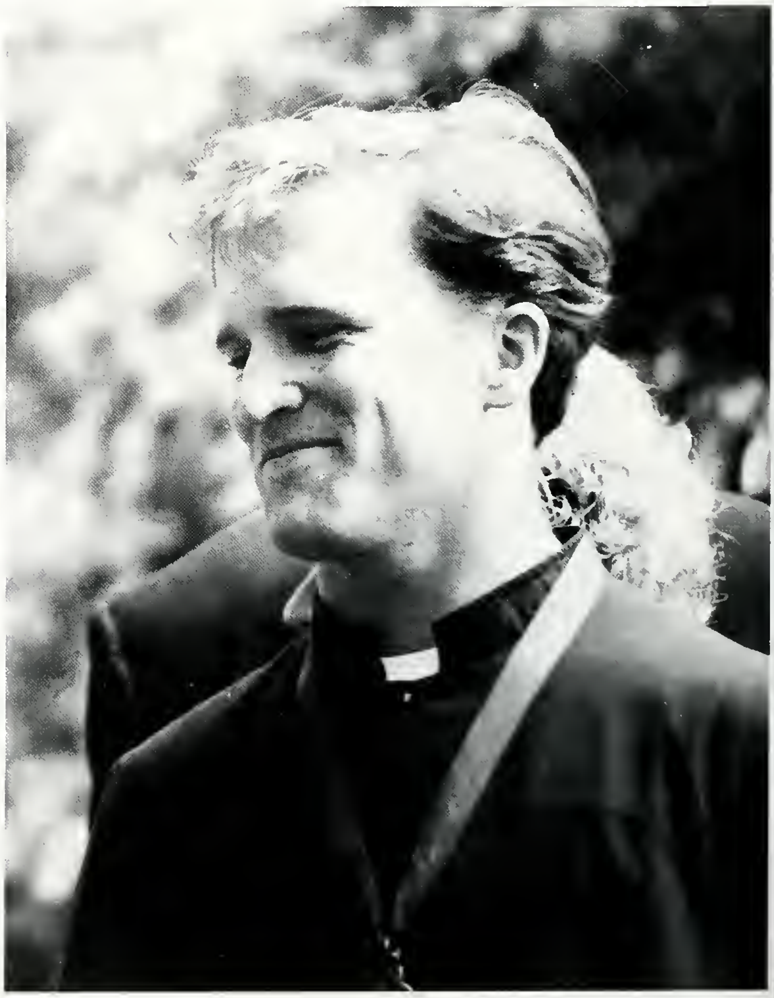
*Is dedicated to three hardworking members of the Sewanee Family*
*whose talents we will greatly miss next year.*

## Joel Welsh
## Director, Sewanee Outing Program

Joel Welsh, Director of the Sewanee Outing Program, has done an excellent job with the outing program and, indeed, has taken it to the next level in terms of student participation and leadership development, organizational structure, outdoor adventure (both on and off the domain), and general popularity. He has transformed the PRE-Orientation program into a popular but well-organized, substance-free, outdoor educational event which draws students quickly into the campus community and the outdoor recreational opportunities on the domain. He has also organized and led challenging off-campus expeditions which have generated much excitement and participation. Joel has developed an exceptionally strong foundation for our outdoor recreational program during the past three years and he will be a very hard act to follow.

## Wallace Adams
## Lay Chaplain

Walace Adams served as Lay Chaplain from 1993 through 1996. During that period the Sunday night informal Eucharist, "Growing in Grace," grew from an average attendance of sixty participants to an average of better than one hundred. Other Chapel programs were also enhanced: Prayer and Coffee, B. C. Bible Studies, and the Canterbury Group. Beyond these programs, Wallace was a personal counselor and friend to many students in both the College and the School of Theology. His enthusiasm, engaging personality, and genuine warmth were a catalyst for any who opened themselves to him on their spiritual journeys. He leaves the position of Lay Chaplain much stronger than it was when he came to it and the lives of many greatly enriched.



# Lisa Manley Student Activities Associate Dean of Students

Lisa's work in the student activities office has been exceptional. In three short years, she has transformed a relatively weak, low-profile program into one of the most dynamic, popular operations on campus. From the highly successful "Thursday Night Live" entertainment events at the Pub and the faculty-taught "short courses," to the popular programs of the Bishop's Common Program Board, the Sewanee Union Theater, and the highly acclaimed Mountain Top Ball, Lisa's initiative, organizational skills, and imagination have been exceptional. Thorugh the student activities office, she has managed to bring such celebrities as Dr. Ruth, the Dave Matthews Band, Widespread Panic, Allison Krause, Henry Cho, and many others to the mountain for the students' enjoyment. Her ability to relate to students has been amazing; both on a personal and professional level. Lisa as also (over) extended herself this year by helping with the residential life portion of the Associate Dean of the Students' job. Lisa's boundless enthusiasm, optimism, and cheerfulness, in her work and in her play, have been infectious and will be missed next year.

I don't know what to say but - here you go - fall 1995 to spring 1996. We tried to capture everything - the people, the places, the events...everything from Homecoming 1995 to Stirling's Coffee House to the snow. And did we see a lot of snow this year! I hope you like the pictures; they're my favorite part. We try to make this book just a little bit of what Sewanee is, both through the year and year after year. For those of you who know me, you understand what Sewanee means to me. For those who don't, the pages between these blue covers are just a little glimpse of the mountain through my somewhat rose-colored glasses. For in the end, after the pages are printed and the books delivered, still then we cannot capture the magic that makes our mountain, not in words and not even in those wonderful pictures. The University of the South, the Domain, Sewanee - it is the people, the faces filling these pages, that makes our school, our home, so very special - the place we love.

I realized that there was no place on earth like Sewanee when I received a letter in the SPO addressed simply to "Lori, Sewanee, Tennessee." Sewanee has been my home for four years now, and like Dorothy in The Wizard of Oz, I can truthfully say there's no place like home- Sewanee. I remember telling my grandmother once that I was more likely to get bitten by a dog than robbed here. She proceeded to ask me if I knew where the closest hospital was, just in case that happened. I told her I could walk there if the unthinkable did occur.

To capture all the splendour and warmth of Sewanee is a difficult task in 276 short pages. I hope this yearbook serves as a scrapbook for students to remember all those things that make Sewanee so special.

> *"Yet all experience is an arch wherethrough gleams that untraveled world whose margin fades forever and forever when I move."*
